

Summer Classes for 2014

The class is intended for dancers of all levels. Drop-ins are welcome! Bring a friend and experience the social dance of Scotland.

We will be running our summer class as usual. The dances planned for each class will be posted here. There can always be last minute changes so please understand if some of the dances listed are not done on a given week.

If you really want to see a dance done please contact us. We will do our best to include it in one of the lessons.
