## FATHER CONNELLY'S JIG

THE DONSIDE BOOK of Scottish Country Dances, 1989-1990 by John Drewry

Dance devised January 1990

Jig – 4 couples – 64 bars

Tune – “Father Connelly’s Jig” – by John Mason, the conductor of the Scottish Fiddle Orchestra

1–8      1st and 2nd couples “Set and Rotate”.

9–12      1st couple and their first corners dance half right and left on the diagonal.

Meanwhile second corners set to each other and then change places giving right hands. At the end, 3rd and 2nd couples stay facing out.

13–16      3rd, 1st and 2nd couples dance half reels of three on opposite sides. To begin:- 1st and 3rd men, and 1st and 2nd women, pass by the right. At the end:- 2nd and 3rd couples veer into place (i.e. no extra loops).

17–20      1st couple and their second corners dance half right and left on the diagonal (1st couple begin by giving right hands to second corners in person). Meanwhile first corners set to each other and then change places giving right hands. At the end, 3rd and 2nd couples stay facing out.

21–24      3rd, 1st and 2nd couples dance half reels of three on the sides. To begin:- 1st and 2nd men, and 1st and 3rd women, pass by the right. At the end:- 2nd and 3rd couples dance round loops on the corners to enter the reels across the dance.

25–32      1st woman dances a reel of three across the dance with 2nd couple (left shoulder to 2nd man) while 1st man

dances a reel of three across the dance with 3rd couple (left shoulder to 3rd woman).

33-40 1st couple, giving right hands, dance down between 3rd couple crossing over to opposite sides; 1st woman casts up round 3rd man while 1st man cast off round 4th woman. 1st couple, giving left hands, change places up and down the dance; 1st woman casts up round 4th woman while 1st man cast off round 3rd man. 3rd couple step up on bars 39-40. (1st couple are now in third place on own sides.)

41-56 3rd, 1st and 4th couples dance the figures danced by 2nd, 1st and 3rd couples during bars 9-24.

57-64 3rd, 1st and 4th couples six hands round and back – (2nd couple could join in too to make it eight hands round and back).

Repeat with a new top couple.

NOTE The dance is really two dances each of 32 bars. Bars 9-24 of each dance are similar. 1st couple dance the first part with 2nd and 3rd couples and the second part with 3rd and 4th couples. Either part could be danced separately as a normal 8 X 32 bar dance. The reason for this unusual structure is that the tune contains 64 bars and it was thought that this arrangement would make it less tiring for the dancers than a 8 X 64 bar dance.

In the half right and left on the diagonal it is essential for the dancers to be in the side lines before changing places with the left hand to leave the centre of the set free for the other dancers.

Devised for Mike and Eilean Yates of North Carolina, in February 2013. The Yates' have been pillars of dancing in Shelby and the Carolinas for decades and also involved in the dancing at the Loch Norman Highland Games almost since the beginning. Sadly, Mike passed away in March 2013.

Beyond dancing, Mike's passion for viewing solar eclipses has

taken them all over the world. You can detect that in the Promenade Chain progression (thanks, Mary!)
