

# Dances for October 3, 2011

Here we are, starting a new dance season. In the first few weeks we just want the dancers to become comfortable in class. Try to listen to the music and when possible move in time to the music. I will again try to post the dances we do here. They should be up either just before class or soon afterward.

This week we have a couple more dances that will reinforce the few figures learned last week. Don't worry about the term strathspey. We will introduce it in a couple of weeks. For now we will be doing just reels and jigs.
